£1,000 cashback from Halifax for first-time buyers and home movers

First-time buyers and home movers can take advantage of a £1,000 cashback from Halifax when they complete on a qualifying mortgage by 24 June 2018.

In addition, there is a £250 cashback for customers moving their mortgage to Halifax, who can also benefit from Halifax's dedicated remortgage switcher service and have their standard valuation fee and basic legal fee paid.

Andy Bickers, Mortgages Director at Halifax, said: "This is among the best cashback deals out there, particularly as it helps both first-time buyers and home movers at what can be an expensive time. We also want to support those moving their mortgage to us, so a £250 cashback for remortgage customers and help with valuation and legal fees, means we are able to offer something for everyone."
